YOUTH SPEAKS

From the chaotic depths of human wilderness there comes a voice, resonant, insistent, pleading, yet with a certain tremor of fear. It is the Voice of Youth bidding for a chance to do its part in leading the despairing from the opportunity-destroying quicksands which have engulfed the weak in past generations.

What is this cry of Youth? What does Youth desire? What are its demands?

Down through the ages there have always been two classes--the old and the young. Each has raised its voice--the old offer words of wisdom, a wisdom gained from many experiences; the young to urge, in an impulsive manner, that we get on with the job at hand.

Youth today faces an uncertain future. The choice is not a happy one--if there be any choice at all. A natural harvest has been reaped from seeds sown by past generations. The entire world is trigger-happy and a false move could engulf us into a conflict that might well sound the death knell of civilization.

A new frontier rises on the horizon. It is one, not of geography, but rather of technology.

Youth starves for opportunity, yet never has there been such opportunity for any generation. The world of science, of medicine, of entertainment, of transportation, communication, literature, art and human relations offers fertile fields for worthy endeavors.

Youth cries for security, yet many would exchange the golden rights that have formulated the very foundations of this nation's progress and strength, for the falsely gilded stanchions that have been labeled security. The greatest security comes from individual initiative. Security without liberty is slavery.

Words of Young from "Night Thoughts" may well be the answer to Youth:

> "Youth is not rich in time; it may be poor;
> Part with it as with money, sparingly; pay
> No moment but in purchase of its worth,
> And what it's worth, ask death-beds, they
> can tell."

YOUTH SPEAKS

DEDICATION

WE DEDICATE TO YOUTH....

As the 1951 graduates are handed their diplomas, they will embark on the road of life ahead, wherever it may take them.

And proceeding side by side with youth along that road will be progress. With that eagerness to advance which only youth can provide and with the wisdom which youth can obtain only from older generations, that road will lengthen. Each problem faced, whether or not the answer will prove to be the true one, will be a stepping-stone.

Today, as youth leaves through graduation, the world of high school and its joys, it will be met by the seriousness of living in an age of atomic power. And on the shoulders of youth will be placed the consequence of that power.

This book is dedicated to youth with the hope that the goal which they seek will be inspired by a higher Power than that which a scientist could provide.

As youth moves, so shall the progress of the world.

"The youth of a nation are the trustees of posterity."

Disraeli

Members of this year's School Board seated left to right are: Miss Mildred Milkie, Secretary; Charles Thomas, Vice President; Harold Jacobson, McDonald Egdorf, Superintendent of Schools; Joseph Marr, William Homeister, Harold Stoner, Ralph Wagner, and Thomas Allman, President.

The members of the Board are outstanding citizens of our city, who are interested in our schools, and take time out from their jobs to help improve our school system.

The Senior Class would like to express their thanks to the School Board for all they have contributed in making our school a fine place of learning.

Supt. McDonald F. Egdorf and his Fellow administrators in Roosevelt High School are sympathetic listeners when Youth Speaks. Their desires are that the Youth of Today will be a Good Citizen of Tomorrow.

C. J. WHITNEY
Principal

His smiles are as frequent as his frowns to keep us happy at school.

MCDONALD F. EGDORF
Superintendent

Although new this year, Supt. Egdorf has won the students with his friendly smile and desire to help.

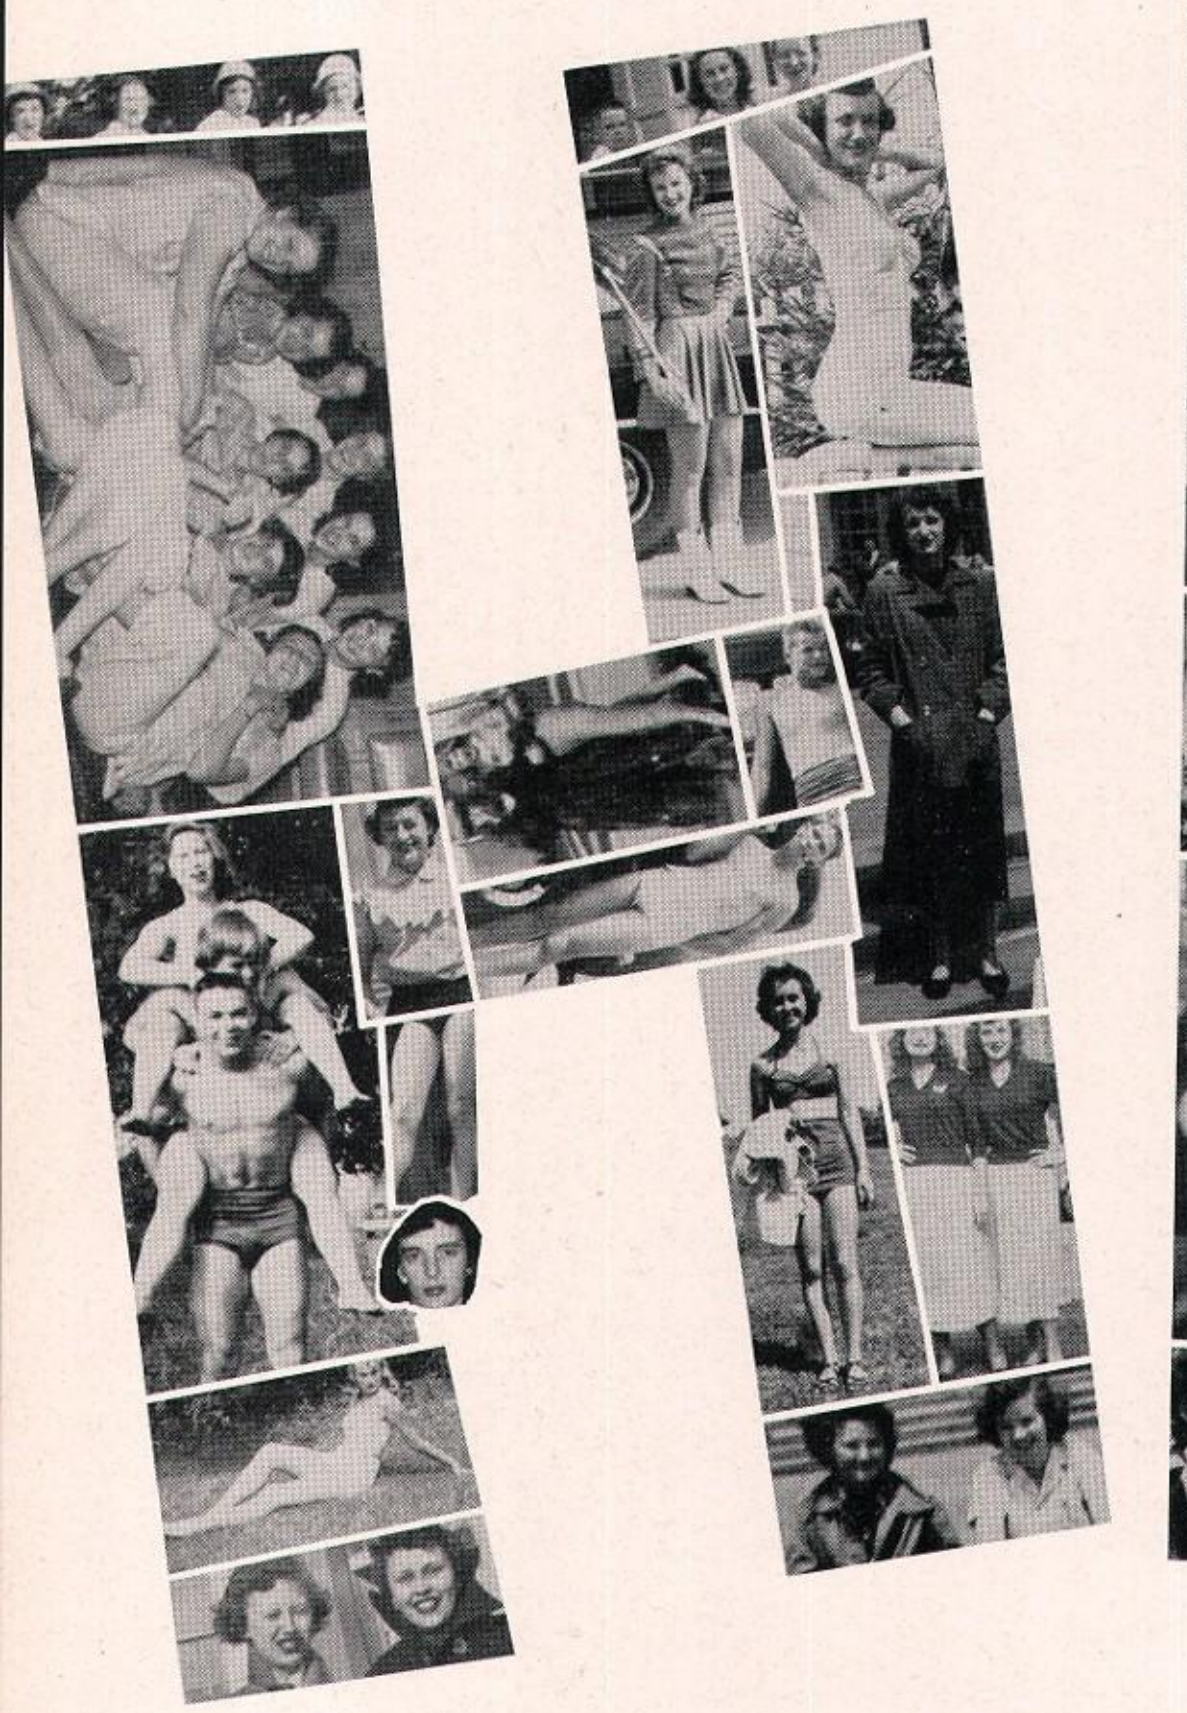
RUIE PINNEY
Dean of Girls

She is a safe haven to come to when troubles seem to be insurmountable.

O. G. HENNEY
Assistant Principal

In his years of experience, he had learned all the excuses in the book but new ones are tired on him each year.

WE WORK AND WE PLAY



All work and no play makes Youth extremely dull. . . . but don't you think we are sharp?

SENIOR SPONSORS

In September of 1941 our high school careers began. We entered R. H. S. as a group of 522 bewildered freshmen.

Our freshman and sophomore years were uneventful as far as class activities were concerned, but that came to an end when we entered our Junior year as upper classmen.

Our first activity was choosing our class rings, followed by our first dance, The Pumpkin Prance.

Everyone who had parts in or worked on our Junior Play will never forget the fun we had producing "A Young Man's Fancy." We climaxed our Junior year with the annual J-Hop, which we entitled "The Roaring Twenties."

On that wonderful day, when we made the auditorium our Home Room, we knew we were really Seniors. With the fine leadership of our class officers and our wonderful sponsors we accomplished many things. We had great fun producing "George Washington Slept Here", a terrific play in three acts, as our Senior Play, and we will never forget the work and fun involved in sponsoring the "Mardigras" as our Senior Prom.

There were other things on our minds too. After a long battle, maroon and light blue finally won out as our class colors.

Even in our Freshman & Sophomore grades we were building up to that one great and all important moment in our lives when we would walk across the stage and receive our diplomas. Now that the time has arrived, we are a little scared but happy and we will always remember the halls of wonderful R. H. S. and hope that it remembers us.

SENIOR PLAY

They Bring Laughs

The Senior Play selection was "George Washington Slept Here" which was presented November 9, 10, and 11, under the direction of Lawrence Johnson.

Theme of the play was based on an old dilapidated house in which George Washington was supposed to have slept. The Fuller family tries to make their home here with considerable trouble from their landlord and the neighbors.

The play proved to be a huge success with real talent shown by the entire cast of characters.

Participating were Dwinal Forbes (Mr. Kimberly), Joe Baunoch (Newton Fuller), Phylis Lively (Annabelle Fuller), Joyce Hardin (Madge Fuller), Charles Bailey (Steve Eldridge), Barbara Steinhauer (Katie), Nanci Perry (Mrs. Douglas), Jim Higgins (Clayton Evans), Jane Bowman (Rena Leslie), Barbara Whelan (Hester), Joe Wirtz (Raymond), Dale Simmons (Uncle Stanley), Dick Derks (Leggett Frazer), Tim Torango (Tommy Hughes), Carol Begeman (Sue Barrington), Beatrice Dennis (Miss Wilcox), Dick Kralick (Mr. Prescott).

The World As A Community Class first came into being in 1946 with Wyandotte the pioneer in this idea of high school exchange groups. Each year an exchange of visits with a similar group in another part of the nation is a climax of the year's study. One year an exchange was made with Montreal, thus giving an international flavor. This year the class in Wyandotte exchanged with one at Frederick, Maryland and to raise necessary funds had paper drives, dances, bake sales and the annual County Fair. Class study was of the geography, geology and history of Maryland.

DANCE BAND

For those who like their music of the "long-haired" style, the band room during the late hours of the afternoon is a good place to stay clear of, but if you like jive, be-bop and others of the modern style of music step into Room 140. Baby, it might be cold outside, but not when these musicians go to work. And they can give out with the sweet stuff.

With Dwinal Forbes and Mary Jo Bissett doing the vocalizing, the band draws thunderous applause whenever they appear before Roose-velters.

Roosevelt's Band is almost a civic institution, so frequently is it called upon to play for parades and other community functions.

This is the 26th anniversary of the founding of the organization, which had its birth in 1925. Leonard Klasse, organizer, soon turned over his duties to C. B. Andrews, present mechanical drawing teacher. In 1929, Kenneth Hauer started the baton. waving and he has been head of the group since. This year's annual concert took the form of a variety show, with other organizations aiding.

For the past two summers, the band has spent a week at the National Music Camp at Interlocken.

YOUTH AIRS ITS VIEWS

We're on the air!

Since the opening of Radio Station WJJW, the Public School hour on Wednesday afternoons has served a two-fold purpose. It has given many children from the kindergarten through high school an opportunity to appear in one or more broadcasts. Secondly, these programs have been highly informative, telling parents and others of the listening public what is being done in the schools.

Every attempt has been made by the radio co-ordinator to balance the programs, providing entertainment and information. Performing groups varied in number from half a dozen to nearly one hundred and included all ages.

Programs with a strictly musical flavor were provided by the A Cappella Choir, band, orchestra, girls ensemble, boys octet and the triple trio; drama was supplied by the Thespians and dramatics classes; forums by the discussion class; athletics by members of the various teams and their coaches.

One of the most interesting series was that of the history-through-literature class acting as a Junior jury and discussing boy-girl, parent-child, teacher-teen-ager and employer-employee relationship.

A great majority of the programs were recorded so that classes might make a study of the program, and also, so that various organizations might hear them reproduced.

These programs have been an education in themselves for students throughout the public schools.

"Oh to be a football hero.....

Phyllis Baldwin crowned as "Homecoming Queen" by Dale Ferris, Captain of the Football Team. Her attendants were Nancy Tucker and Louise Fyfe.

Those ceremonies which are usually so colorful on the football field were foregone this year because of the blizzard which discouraged most everything except staying home.

Football players can be gentle, can't they?

Starting with a very inexperienced team, the Roosevelt Gridders were expected to do little more than worry their opponents but with the superb coaching of Coach John Middlesworth they steadily improved as the season progressed.

On September 15 they journeyed to Lansing Sexton to meet the also inexperienced team. The meeting was profitable for the Bears as they returned with an 18-10 victory under their belts.

The following Friday they were almost upset by a surprising Ecorse team and had to fight hard to win 6-0.

Highland Park was the first visitor to the RHS football field and after a rough and tumble go the Parkers left for home on the long end of a 20-14 score.

Royal Oak was next on the schedule for the Dottes. The Oaksters fought the Bears to a 7-7 tie.

A trip to Grosse Pointe proved to be an unprofitable one as Wyandotte returned home, nursing a 25-7 beating by the Blue Devils.

Al Catarino, Dotte Quarterback, provided the margin of victory over Monroe as he ran a punt back for a 75 yard T. D. The final score read 14-6 Wyandotte.

Wyandotte edged past neighbor Lincoln Park 12-6 in a very thrilling game.

Fordson, the present Border Cities Champ came to Wyandotte the next week and was dropped 14-13 by the third place Bears. Played in a muddy downpour the vicious game was decided by an extra point off the toe of Joe Nicita.

Grand Rapids Union finished the season on the Bears Home field on a dismal vote as they dropped Wyandotte 13-6.

Dale Ferris, Bernard Miller, Al Catarino, Walter LeClair and Bob Eberline added laurels to the 5-3-1 record by making All-State Honorable mention.

The Bears losing Jim Hartman and Joe Nicita in addition to Ferris, Miller, and Eberline will be out for the hides of their graduate-weakened opponents next season.

"Three in a row" is the aim of the baseball team. Having won two Border Cities League championships in consecutive years, members of this year's squad will try their utmost to win another title.

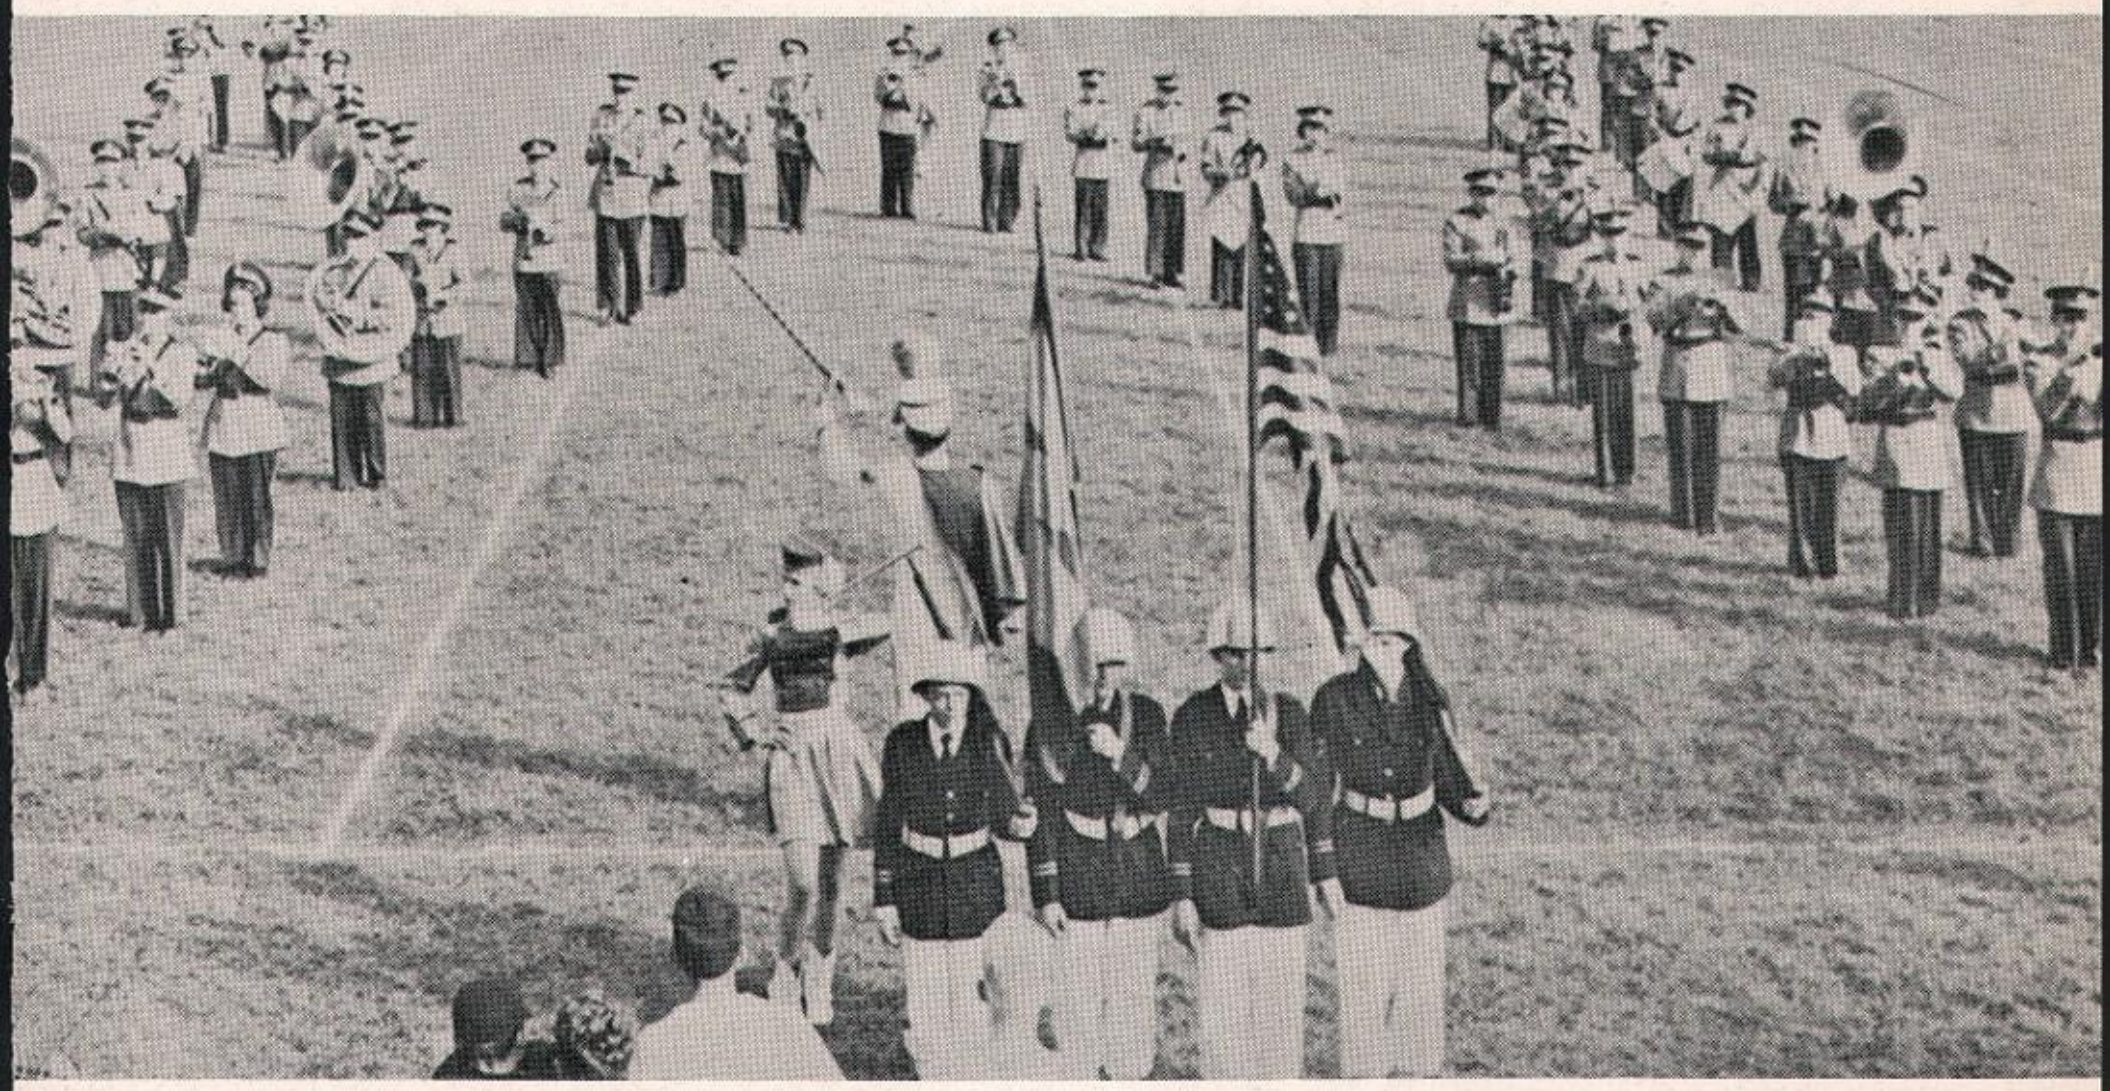
Wyandotte's wall smashing hitters of the past several seasons have gone up the ladder in the baseball world and made good in college or professional baseball and this year's team hopes to follow the same path.

It was not until the first of April that the candidates could be called out-of-doors for drill because of the cold weather and only about three weeks of practice could be had before the first game.

Last year's lettermen who responded to the call of Coach Thomas were Dale Ferris and Bernie Miller, consistent mound winners and long distance hitters; Frank Nauyokas, shortstop; Bob Wallace, outfielder, and Metch Zajchowski, catcher.

Others on the team who carried much of the load for the Bears were Glenn Girardin and Lenny Trusewicz, pitchers; Dick Papp, Alex imlay and Dick Wellman, infielders.

THERE'LL BE MUSIC WHEREVER THEY GO !



Roosevelt High School does not believe it completely fulfills its function without taking an active part in community affairs. One organization which is called upon many, many times for community, as well as school activities, is the Roosevelt Marching band shown above.

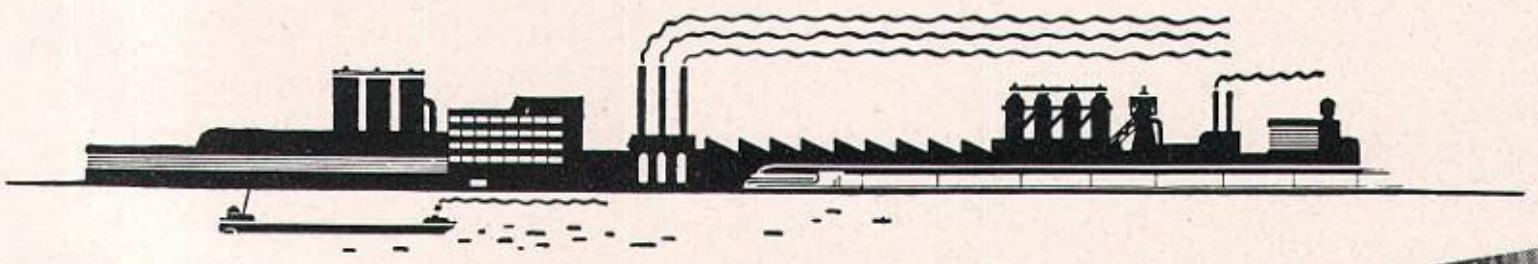
During the football season the band gathers early in the morning for rehearsals of formations to be used between halves of the games and some clever stunts have been demonstrated. Under the direction of Kenneth Hauer, the band is always generous in playing for all functions which would be permitted of a school unit.

One of the highlights of the band year is a week spent at the annual National Music Camp at Interlochen, Michigan. Even before school was out, the band members, greatly assisted by a parents' committee started raising funds for the trip.

Because of their rehearsals and individual lessons at the camp, attendance is looked upon almost as a "must". And too there is lots of recreation.

Before school starts in the fall, the band has always made one scheduled appearance - that at the State Fair.

ROWING



FIRST ROW: Bill Wilson, Ralph Pascewitz, Johnny Wilson, Dave Dean, Larry Larew. SECOND ROW: Gordon Wolske, Sam Palazzolo, Tony Tomaszewski, Ewell O'Guin, Bill Katz. THIRD ROW: C. KNEELING, LEFT TO RIGHT: Dick Richards, Ed Hensman, Bill Strength, Dick Menzel, Larry Hissell, Garry Ames. SECOND ROW: Gerald Pearson, Dick La Beau, Frank Matalozo, Al Caterino, Noel Bufe, Bob Eberline, and Tom Erwin.

BASKETBALL

Although they won but three games during the regular season, Wyandotte's Bears made a far better showing in the Class A Regional Tournament at Plymouth Bentley, where they advanced to the final before giving way to Ford Trade.

The team was playing under a new coach, Dick Hoffheins, and it improved steadily as the season advanced, and was able to tie for fourth place in the Border Cities League. In tournament games the Bruins defeated Lincoln Park 48-46, Dearborn 40-32, and lost to Ford Trade 41-22.

Untouched by graduation, the team should prove to be the one to be reckoned with in League play next season.

SWIMMING

Co-captained by Dave Powell and Chuck Tims, this year's swimming team ended the season with a record of 2 wins and 10 losses.

Despite this record, the team was much better than appears as it lost by the narrowest of margins in several of its meets.

George Sanger, one of Wyandotte's best divers in years, was the most consistent winner as he lost only one contest before he placed fifth in the State Meet. Also entered in the State Meet were Chuck Tims, Johnny Glenn, Don Snizik, Charles Reynolds, and Dave Powell.

The Medley Relay team of Powell, Snizik, and Tims lowered the record for the 180 yard race to 1:48, .2 of a second faster than the old record.

Hopes for a better season next year are high and well founded.

In March they held their play, "No Place To Park," which proved to be a great success.

The "Haunted House" at the County Fair, had a bigger success than any other years. The girl's locker room was turned into a house of horrors.

Their latest success was the J-Hop "South Pacific," which was held in April. The co-chairmen were Pat Duncan and Tom Sparrow.

SENIOR

"BEFORE NINE"

Just Getting "Aired"

With Miss Marian Pulver supervising the art work, the gym became a gaily colored scene living up to the theme of the senior prom, "Mardi Gras."

The walls were done in murals of grotesque and humerous characters of the Mardi Gras. An umbrella used at a previous prom was converted into a large champagne glass, adding to the splendor of the walls.

"Walking My Baby Back Home"

An unusual fete of the prom was that the band stand was on a float located in the middle of the floor. A huge clown decorated the bandstand.

The refreshment stand was designed after the famous cafe, Antoines.

The ceiling was draped with colorful crepe paper with sprays of balloons.

A large mask decorated the entrance of the gym.

All in all, the prom was a huge success.

The year 1951 is an important one in the lives of all of us, but particularly for those who are graduating. As the year begins a new half of a century that has seen great changes for man, so it marks a new era for the Seniors of Roosevelt High School.

For many, it will mean the closing of school books forever and the beginning of a new chapter in the Book of Life. To others, the year will be continuation of study in an institution of higher learning.

We will always look back upon the year of 1951 as an interesting one and only hope that the years to come will bring about a realization of all of our desires.

WE BID A SORROWFUL FAREWELL

"The time has come for us to depart. This is the thought of all graduating seniors, for at last the day of embarking on a whole new world has arrived.

As we leave our school days behind, our thoughts will always be directed toward the carefree hours spent in the Halls of the Roosevelt High School."
